- Power On/Off Switch
- LED Indicator Light
- USB Charging Input 4. AUX Input
- Answer Button & Built-in Mic
- 6. Play/Pause
- Next Track / Volume Up (hold) 8. Previous Track / Volume Down (hold)

CHARGING THE HEADPHONES

The headphones come with a built-in rechargeable battery. Before using it for the first time, we recommend you charge the battery fully. Only use the supplied USB cable to charge the headphones.

Connect the USB cable to a computer USB port and the USB plug to the charging jack of the headset. The red LED light will illuminate while the headphones are charging.

When the battery is fully charged, the LED light will turn off automatically. Disconnect the headset at this point. The headset will then be ready for use.

When the battery is low, the LED will flash red ever 30 seconds and issue a warning beep. When this happens, charge your headset.

PAIRING THE HEADPHONES

- 1. Ensure the headphones are turned on. Move the On/Off button into the "ON" position, the LED will flash blue and green. This will indicate your headphones are now in pairing mode.
- 2. Ensure Bluetooth is enabled on your smart phone or music device.
- Your device will start searching for wireless devices.
- 5. The headphone will appear as "MUSE" in the list of
- available Bluetooth devices. Select "GT-MUSE"
- Enter password "0000" (if required) to confirm pairing.

Note: If pairing is unsuccessful, turn off the headphones first and re-pair following the aforementioned steps. Once you have paired the headphones with a device, the headphones will remember this device and will pair automatically when the device's Bluetooth is activated and in range. You do not need to re-pair any previously connected devices.

LISTENING TO MUSIC

Once the headphones are paired to your device, you can stream music wirelessly to the earphones. Select the track you wish to listen to on your device to listen via earphones. Should you encounter any problems while streaming, please refer to your device's user manual.

USING HEADPHONES WITHOUT BLUETOOTH

Your earphones have a built-in AUX input which will allow you to listen to music from non-Bluetooth devices using a 3.5mm AUX cable (not included).

- 1. Insert one end of the AUX cable into the headphones AUX input.
- Insert the other end into your devices headphone jack. 3. Power on your headphones and your device and begin playing music.

Microphone may not be supported in this mode.

CARE AND MAINTENANCE

- Do not expose the unit to liquid, moisture, or humidity to avoid damage to the product's internal circuitry.
- Do not use abrasive cleaning solvents to clean the unit.
- Do not expose the unit to extremely high or low temperatures as this will shorten the life of the electronic device, destroy the battery, and/or distort certain plastic parts.
- · Do not dispose of the unit in fire as they may explode or
- Do not expose the unit to contact with sharp objects as this will cause scratches and damage.
- Do not let the unit fall from high places, as doing so may damage the internal circuitry.
- Do not attempt to disassemble the unit.

In the event that the unit does not function properly, return it to the store where it was purchased.

WARRANTY INFORMATION

The condition of this warranty and our responsibilities under this warranty are as follows:

Supplier's warranty is non-transferable. And this warranty is limited to the original purchaser only.

USB (cable included)

- * You must be able to prove the date of original purchase of the unit with a dated receipt.
- * The warranty is not applicable if the product has been subject to physical abuse, improper installation, modification or repair by unauthorized third party.
- *The responsibility of supplier's products shall be limited to the repair of replacement of the product as its sole discretion.
- * Specifically exempt from any warranty are limited-life consumable components subject to normal wear and tear such as batteries, decorates and other accessories.
- * A supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse, or any unauthorized repair, modification or disassemble.
- * Modification and repair of the unit should be done by authorized and qualified service personnel, Center or returned to the manufacturer.
- * This warranty gives you specific legal rights, and you may also have other rights which vary under local laws.

The following conditions comprise the requirements and scope of our warranty conditions and do not affect our legal and contractual warranty obligations.

We offer a warranty on our products in accordance with the following conditions:

1) Hype® products are covered by a 12 month warranty. We will resolve damages or defects on Hype® products free of charge within 12 months of the purchase date under the following warranty conditions. For any damage or defect determined later than 12 months after the purchase date, proof of a manufacturing fault must be submitted for repair under warranty.

2) The warranty does not cover batteries and other parts, which are considered consumables, parts that break easily such as glass or plastic or defects based on normal wear and tear. There is no warranty obligation in the event of marginal differences compared to the target appearance and workmanship provided these have a negligible effect on the product's fitness for use, in the event of damage caused by chemical or electrochemical effects, by water or generally from abnormal conditions.

3) The warranty will be performed in such a way that we shall decide whether to repair the defective parts or to replace them with working parts free of charge. Hype® reserves the right to exchange the product for a replacement product of equal value if the product sent in cannot be repaired within a reasonable time or at a reasonable cost. Requests cannot be made for repairs to be carried out on site. Parts that have been replaced or exchanged become our property.

4) The warranty claim does not apply if repairs or other work is carried out by unauthorized persons or if our products are equipped with additional parts or accessories that are not approved for our product.

5) Warranties that have been activated do not cause the warranty period to be extended, nor do they trigger a new warranty period. The warranty period for any replacement parts installed ends with the warranty period for the entire product.

6) Any other further claims are excluded, especially those for replacement due to damage caused to the outside of the product, provided there is no obligatory legal liability.

We therefore accept no liability for accidental. indirect or other consequential damage of any kind, which leads to usage restrictions, data loss, and loss of earnings or interruption to business.

Asserting a warranty claim:

 To make use of the warranty service for hardware issues, you must contact the Hype® Service Center by email at support@dglusa.com

 Hype® will try to diagnose and solve your problem. If it is determined that a warranty claim exists, you will be given an RMA number (Return Material Authorization) and will be asked to send the product to Hype®.

IMPORTANT: Hype® will only accept parcels that have an RMA number. Please observe the following when sending the

product: 1) Send the product suitably packaged with

- carriage and insurance paid. Do not enclose any accessories with the product (cables, chargers, manuals, etc.) unless the Hype® Service Center specifies otherwise. 2) Mark the RMA number on the outside of the
- package in such a way that it is visible and clearly 3) You must enclose a copy of the sales slip as proof
- of purchase. 4) Once Hype® has received the product, it will meet its warranty obligations in accordance with the warranty conditions and will return the product to

the sender with carriage and insurance paid.

Service outside of warranty

Hype® can refuse any service claim made that is not covered by the warranty.

If Hype® agrees to provide a service outside the warranty, the customer will be invoiced for all repair and transport costs. Hype® will not accept any packages that have not first been approved by Hype® by means of an RMA (Return Material Authorization).
